Quick Start Guide

Get started using the Davis Digital K–12 online curriculum! More detailed instructions can be found in the Books, Lessons, Portfolio, and Davis Art Images guides, as well as the training videos found on the Help section. You can download these guides as PDFs, and print, view, or share them as needed. Please email *Support@DavisArt.com* if you have any questions or concerns.

Signing In

Go to your district specific URL. Enter your username and password to sign in to your account.

Trouble Signing In

If you cannot remember your username or are having trouble signing in, click **Need Help Signing In?** to create a Support Ticket. We will reply to your request with your login information.

If you have forgotten your password, click the **Forgot Password** link below the password box, then follow the steps to enter your email address. You should receive an email that will allow you to create a new password. If you do not receive the email within 30 minutes, check your

email spam or junk box. If you can't find the password reset email, please create a support ticket.

Homepage

From the Homepage, you can easily access your **Books**, **Davis Art Images**, **Lessons**, and **Portfolios** from the tabs at the top of the page or from the icons in the middle of the page.

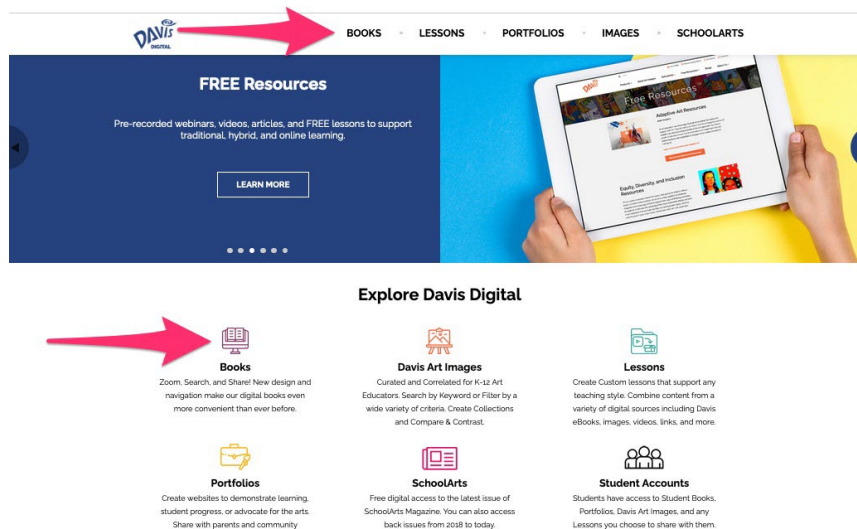

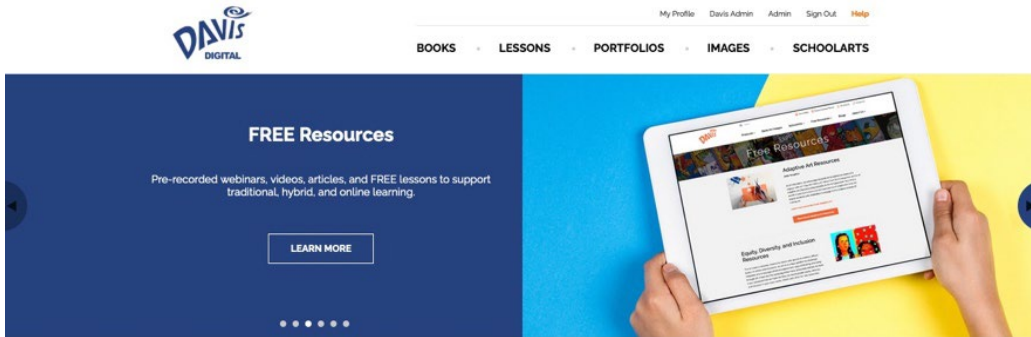

To change your password or edit any of your login information, click **My Profile**.

Check the **scrolling banner** at the top of the Homepage for information about upcoming webinars, the latest digital issue of *SchoolArts Magazine*, free resources, and more.

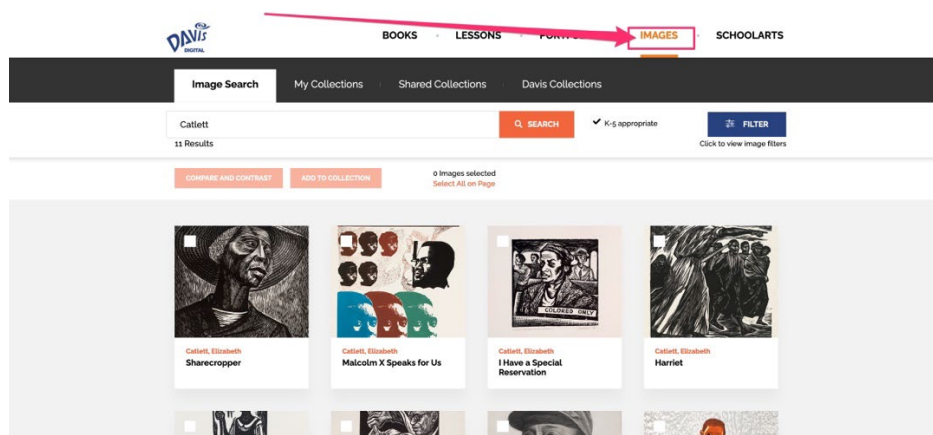

Books

Books contains all of the Davis Digital eBooks that have been assigned to your account. Each tile includes access to the Student edition, Teacher Edition, Resources, and videos (if included). Click the cover image or links to open one of your Books. See the ***Books*** guide for more information.
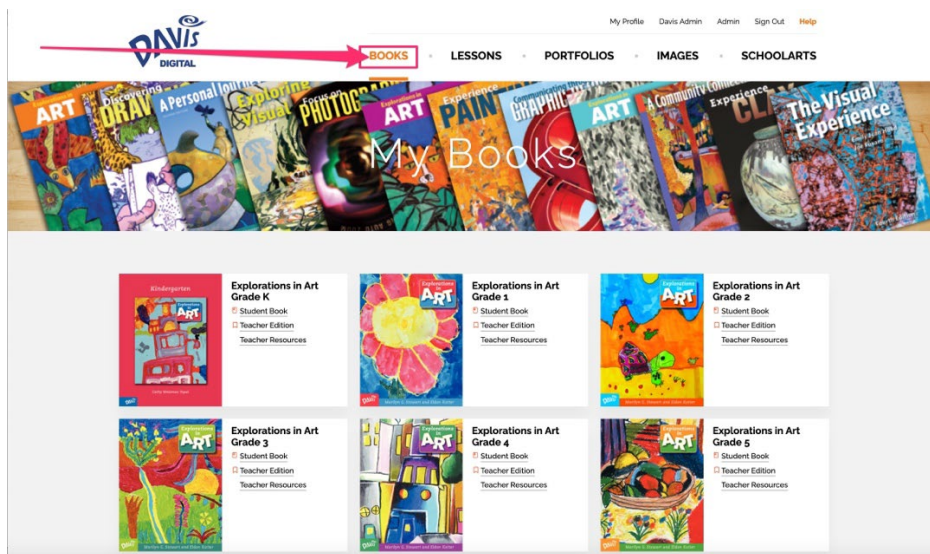

Davis Art Images

Discover, organize, and present images from Davis' collection of more than 20, 000 high-quality digital images. Search by Keyword or filter, create and share **Collections**, and compare and contrast any two images. You can easily copy and save **Davis Collections** and **Shared Collections** to your account. See the ***Davis Art Images*** guide for more information.

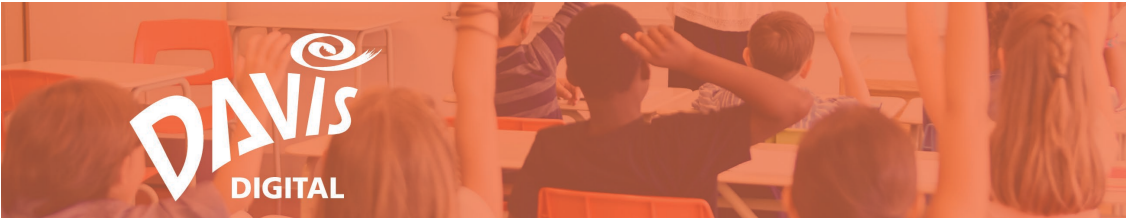

Lessons

Combine Davis Digital resources (Books, Davis Art Images) with slideshows, videos, images and more to create custom lessons. Check out our **Sample Lessons** or click **Create New Lesson** to get started. See the ***Lessons and Folders: Create and Edit*** guide and the ***Lessons and Portfolios: Add Content*** guide for more information.
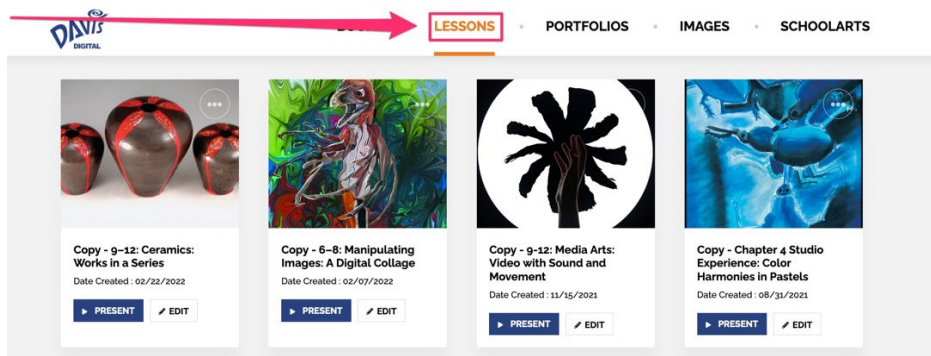

Portfolios

Demonstrate student learning, display finished artwork, or advocate for your visual arts program. Share portfolios within your school community or make them public. See the **Portfolios: Create and Edit** and the **Lessons and Portfolios: Add Content** guides for more information.

SchoolArts

Access the latest digital issue of **SchoolArts** Magazine (also published by Davis), from your Davis Digital home page. *SchoolArts* is a national art education magazine committed to promoting excellence, advocacy, and professional support for educators in the visual arts.

Help and Support

Click the **Help** link to access all of our **Davis Digital User Guides** and **Tutorial Videos**.

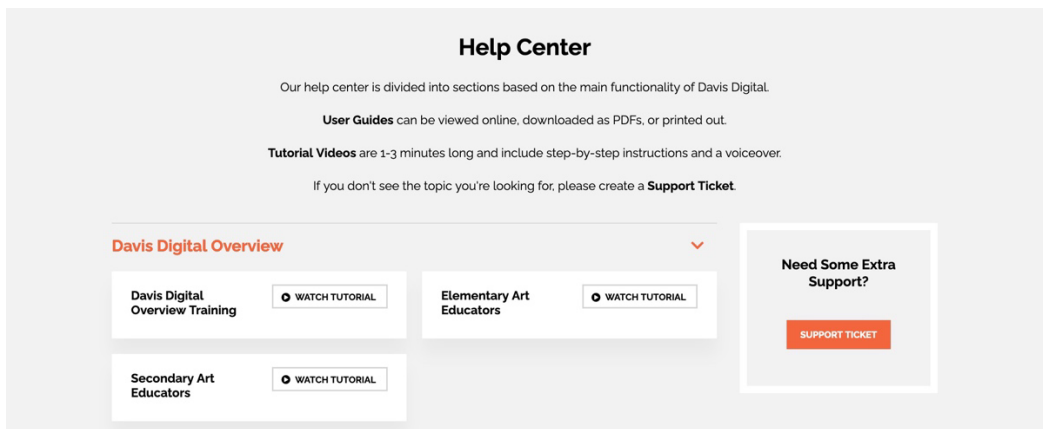

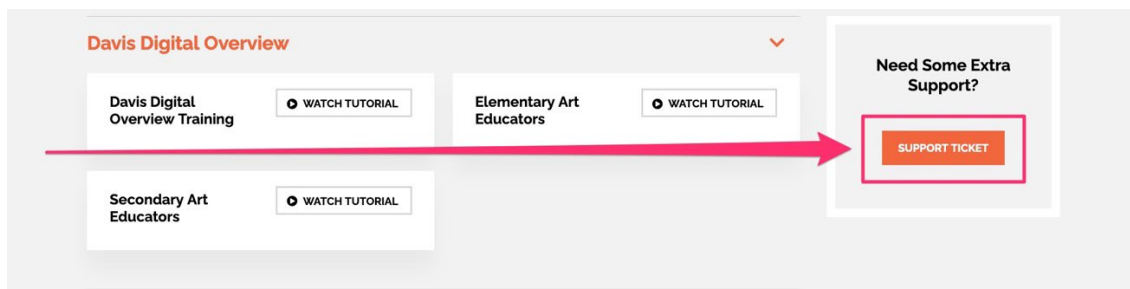

If you need additional Help, click **Support Ticket** to open a support ticket.

Fill out the form. Be sure to include the name of your School District and school email address, then click Submit. The first available member of our Support Team will respond to your request.
